

Learning Together, Success Forever

The Manor Park Team have high expectations of all our children and provide a safe, caring environment where children grow in confidence, feel happy, secure and ready to learn. Our young pupils are nurtured and encouraged to develop a sense of responsibility, to take care of their friends and their environment and become active members of the school community.

# Welcome

Manor Park Infant School and Nursery is a small, friendly community school for children aged 3-7 years with so much happening! We have six full time infant classes, a sixty-place nursery and we also offer wrap-around childcare run by outside provider TB Sport.

We are immensely proud of our School and Nursery. The Manor Park Team have high expectations of all our children and provide a safe, caring environment where children grow in confidence, feel happy, secure and ready to learn. Our young children are nurtured and encouraged to develop a sense of responsibility; to take care of their friends and their environment and become active members of the school community. The values of our school are at the heart of everything we do.

All the staff and Governors are fully committed to working in partnership with our families as we believe that together, we can achieve the best for our children and prepare them for the next steps in their learning. With the best start in life, comes future success.

It is the role of our whole school community to help EVERY child to aim high and every day we enjoy celebrating success.

We know our children exceptionally well and we are determined to provide excellent challenge and support for every child. Everyone here believes that learning should be fun, purposeful and exciting. We aim to make every day memorable for the children and staff and we plan to capture children's interests as well as rigorously teaching basic skills.

Our school team are highly qualified, enthusiastic and passionate about finding the best methods to help each child to make the best possible progress in their learning.

# Vision and Aims

## Our Ethos

- We know all our children and their families well. Children love coming to school. Through strong relationships and regular dialogue we personalise learning for every child so they that make the best progress possible
- All children feel safe and are happy in their individual identity. They love learning; they talk about their own learning; how they manage the challenges it brings and how they celebrate success. They have a strong belief that they are able to achieve in life
- All children leave Manor Park with skills for life - phonics, handwriting, spelling, reading, number bonds, multiplication, problem solving and ICT skills
- All children are ready for future learning. Manor Park "switch on the learning journey". Children have the right behaviour to learn. They are ready for anything!
- All children have time to initiate and plan their learning so that they can explore their interests to develop and apply the skills needed to be independent learners
- Parents and carers are partners in planning, teaching, facilitating and celebrating children's learning

## Our Vision

The best start in life for all our children – no excuses – no compromise.

Learning Together, Success  
Forever

### **Our Values**

- Respect
- Kind
- Ready
- Safe
- High Expectations

### **Rules & Rewards**

We have a celebration assembly once a week where wristbands are awarded to the 'Stars of the week'. The wristbands encompass our values and celebrate characteristics of learning. Wristbands include:

- Respect
- Kind
- Ready
- Safe
