

Headteacher's Newsletter Term – Summer 2 July 2025

A message from Miss Hanson

We have had yet more fantastic weeks at school, it has been so busy! We have welcomed local authority visits, the local authority come in periodically and review the school to ensure we continue to give our children the very best. We have had a visit regarding diversity and they found: "Our children also had a sound knowledge about the Protected Characteristics; they could discuss and talk about their significance and the fact we all hold more than one of them. Their understanding was clear and the way they could articulate their significance was impressive for such a young age. The older children in school will be great ambassadors for the school in being clearly able to talk about the importance of developing their knowledge of prejudice and discrimination." (The nine protected characteristics under the Equality Act 2010 that we are teaching our children).

Our children are a credit to the school and show such understanding of others. Whilst we have a couple more weeks of school left, we won't be slowing down, with leavers concerts and lunches, wheelchair basketball and Bastille Day.

I would like to thank you all for a fantastic year of support from you as parents and carers and wish you a happy and safe summer holiday.

A note from Mrs Bower - SENCO

With the end of term quickly approaching, I wanted to take this opportunity to thank you for your support this year. As a school, we are continually looking for ways in which we can develop our inclusive practice and improve the school experience for our children with special educational needs and disabilities.

This term's drop-in sessions proved to be very popular, providing an ideal opportunity for us to support parents, families, and children with any concerns. We will continue to offer these sessions every term, but in the meantime, should you have any pressing worries, please don't hesitate to contact the office and arrange a meeting. The next drop-in session is Thursday, 18th September.

In addition to this, the school will also continue to offer support to our children and families through the Mental Health Support Team (MHST) – Please look out for their termly newsletters and future workshops.

Have a great summer – Mrs Bower

Wider Personal Development

Father's Day

We welcomed dads, carers and father figures for a coffee and craft morning, it was so well attended and meant so much to the children. Thank you for supporting your children.

Year 1 Multi Sports at Woodborough Woods Primary School

A fantastic sporting event was held at Woodborough Woods for our year one children, this is an exciting event for the children where all the family of schools attend and they complete in various activities. Thank you to our friends at Woodborough for making us so welcome.

F2 Multi Sports at Lowdham Primary School

On a very hot morning in June our F2 classes went on the bus to Lowdham Primary, another family of schools event. They earned stickers and completed a range of activities led by the Y6 sports leaders. It was great for our children to mix with the older pupils and well as their peers! Thank you to Lowdham for making us welcome!

Sealife Centre

KS1 made the journey to Birmingham Sealife Centre where the children saw over 60 displays of freshwater fish and marine life and took part in a workshop on sea life habitats relating directly to the children's learning. It was a wonderful trip and our children loved it with one saying "this was the best day ever!"

Sports Day

What a fantastic sports day week we have had! Week beginning 7th July we held our annual sports days for all year groups. We were very lucky with the weather, with the sun shining all day but remaining cool enough to run by taking part in the mornings. It was a fantastic day, with the pupils performing brilliantly. They displayed determination, perseverance and a great amount of effort. Our first parent race was included this year, thank you for being great sports!

Diary Dates

Inset Days – 2024/2025

28th July 2025

29th July 2025

Inset Days – 2025/2026

1st September 2025

17th October 2025
